

Exhibit 18 - Overhead Expense Schedule

This exhibit shows the details of the expenses in the overhead pools by contractor fiscal year. The schedule shows the actual expenses for the prior three years and projected expenses through the life of the contract. The schedule also shows the conversion of the overhead rate from the contractor fiscal year to the Government fiscal year.

If more than one overhead pool is proposed, a separate Exhibit 18 shall be included for each pool. Include the rationale for multiple overhead pools. If the rates are negotiated forward pricing rates, furnish date of negotiation and with whom negotiated. If not negotiated, furnish explanation and basis of rates.

Exhibit 18 - G&A Expense Schedule

This exhibit shows the details of the expenses in the G&A pools by contractor fiscal year. The exhibit shows the actual expenses for the prior three years and projected expenses through the life of the contract. The schedule also shows the conversion of the G&A rate from the contractor fiscal year to Government fiscal year.

If more than one G&A pool is proposed, a separate Exhibit 18 shall be included for each pool. Include the rationale for multiple G&A pools. If the rates are negotiated forward pricing rates, furnish date of negotiation and with whom negotiated. If not negotiated, furnish explanation and basis of rates.
